

INVEST TODAY

PROTECT TOMORROW

HELP US CONNECT PEOPLE WITH WILD PLACES.

The Bob Marshall Wilderness Foundation's mission is **Active Wilderness Stewardship**.

Your financial investment in our work helps maintain the 1,700 miles of trail within the 1.6-million-acre Bob Marshall Wilderness Complex. You help us restore native habitat and preserve wilderness character in this landscape known as **the crown jewel** of American Wilderness.

By connecting youth and adults with hands-on wilderness stewardship and education, we foster lasting connections with nature and teach wilderness ethics to help build the next generation of conservation advocates – **to protect wild places** like The Bob for years to come.

Great Places Need Great People

Your sponsorship makes a difference:

“ Volunteering for the Bob Marshall Wilderness Foundation was a life-changing experience for me. As this was my first time in camping in the backcountry, I could not have picked a better organization to support. The team at BMWF was professional, courteous and best of all friendly. I am truly honored to have participated in this trip and looking forward to future adventures! ”
